

**GREAT LAKES  
CONFERENCE  
FEB 16-20  
2022  
VIRTUAL | DEARBORN**

*Registration Information*  
[mpma.org](http://mpma.org)

Join us for the 2022 Great Lakes Conference, February 16-20. This year's conference will offer 40 hours of continuing medical education, presented by leading experts in podiatry. There are virtual and in-person opportunities to attend. All attendees will have the opportunity to access the entire conference content on demand after the meeting. Register today!

## CONFERENCE INFORMATION

### Conference Format and Registration

Lectures will be delivered virtually on Wednesday, Thursday, and Friday. The conference will be held in person at The Henry on Saturday and Sunday, with vendors present. The lectures on Saturday and Sunday will not be broadcast live but will be recorded and available to view on-demand after the conference.

There are two types of attendance options for this year's conference:

**Standard Conference Registration** - Attend virtually (lectures live) on Wednesday, Thursday, and Friday and in person at The Henry on Saturday and Sunday.

**All Virtual Conference Registration** - Attend virtually (lectures live) on Wednesday, Thursday and Friday and complete Saturday and Sunday's lectures on demand after the conference. Attendees selecting this option will have access to all the lectures on demand. There is an additional fee of \$100 for this option.

Registration fees can be found on page 7 of this brochure. Online registration is available at [mpma.org](http://mpma.org).

### Virtual Conference Information

The conference will be held live virtually on Wednesday, Thursday, and Friday. Approximately 3 days prior to the conference, you will receive an email with login information. Your login is unique to you and will be used to determine the number of continuing education contact hours to be awarded.

Time will be scheduled on Wednesday morning so that you can test your log in, become familiar with the virtual platform, and practice the CME sign-in poll feature. Prior to the convention, MPMA will send instructions on how to achieve continuing education credits and the convention program.

Attendees purchasing an All-Virtual Conference Registration may view the Saturday and Sunday lectures on demand following the conference. Completion of a short assessment quiz will be required to receive credit for on-demand lectures.

### Location and Accommodations

The Henry  
Fairlane Plaza, 300 Town Center Drive  
Dearborn, MI 48126  
888-709-8081

The conference will be held in person at The Henry on Saturday and Sunday. The Henry is offering a special rate of \$142 for the MPMA 2022 Great Lakes Conference. To make reservations, call 888-709-8081 by February 2 and be sure to mention MPMA 2022 Conference to receive this rate.

### Parking

Complimentary self-parking is available. Valet parking is also available, and MPMA Great Lakes Conference attendees will receive one complimentary valet parking for Saturday and Sunday. You will receive parking vouchers when registering on site.

## CONFERENCE INFORMATION

---

### Intended Audience

The convention will be of interest to podiatric physicians and surgeons. Other healthcare professionals with special interest in the diagnosis and treatment of lower extremity disorders will also benefit from this conference.

### Lectures

The topics and speakers may have changed since this brochure was published. Visit [mpma.org](http://mpma.org) for the most up-to-date schedule and for lecture descriptions and learning objectives.

### Continuing Education Credit

This activity has been planned and implemented in accordance with the standards and requirements for approval of providers of continuing education in podiatric medicine through a joint provider agreement between the American Academy of Podiatric Practice Management and the Michigan Podiatric Medical Association. The American Academy of Podiatric Practice Management has approved this activity for a maximum of 40 continuing education contact hours.

Continuing education certificates for credits completed during the conference dates, will be available beginning March 7. If your license renewal date is before this date, please contact the MPMA office.

The Michigan Podiatric Medical Association has received unrestricted educational grants from the following commercial interests/organizations to support this program: Bako Diagnostics.

### COVID-19

The Michigan Podiatric Medical Association is making arrangements that are consistent with physical distancing and sanitation protocols that utilize the best meeting practices for COVID-19 guidelines and restrictions. The MPMA and The Henry will follow the recommended CDC guidelines for COVID-19. We will continue to monitor the COVID-19 situation and notify you immediately of any changes in plans for this event.

### Conference Purpose and Objectives

This conference will provide information on the most up-to-date diagnostic and treatment methods for lower extremity disorders. Conference objectives include:

- To provide the podiatric physician with a broad range of programs offered in an intensive five-day conference.
- To establish an understanding of developing concepts in the diagnosis, evaluation and treatment of lower extremity disorders and foot conditions.

### About MPMA

The objective of the Michigan Podiatric Medical Association shall be to promote the art and science of podiatric medicine and surgery within the state of Michigan, promote the improvement of the practice of podiatric medicine and surgery, and promote the betterment and protection of the public's podiatric health. This will be accomplished through affiliation with the American Podiatric Medical Association, to cooperate in carrying out the purposes of the Association.

### Privacy and Confidentiality Policy

Michigan Podiatric Medical Association's (MPMA) Policy on Privacy and Confidentiality dictates the Association's handling of a learner's personal information. This policy is enforced in all areas of the Association's business, including online communications, offline communications, direct marketing, and event registration.

MPMA maintains a comprehensive database of information on its learners in accordance with the general needs and expectations of the organization and its learners. This information is intended exclusively for purposes related to official Association business and to facilitate interaction between the Association and its learners. Directory information in the database may include home or work addresses, telephone numbers, fax numbers, e-mail addresses, and activity registrations/online purchases.

MPMA will use personal information to fulfill registrations for events, orders for materials and services made online, and other requested services. For educational meetings (CME activities), MPMA may share a list of registered attendees with the registered sponsors for that event.
